OCEANIAN

1078

OCEANIAN

A person wearing a large, elaborate Native American headdress with many black and white feathers stands in profile, facing right. They are wearing a light-colored jacket with a fur-trimmed hood and dark pants with a fur trim down the side. They are standing on a light-colored, possibly snowy or sandy, ground. In the background is a two-story brick building with many windows. The words "OCEANA HIGH SCHOOL" are visible on the side of the building.

The 1978 Miss Oceana was crowned January 31, 1978. This year, for the first time, there was a candidate and escort chosen from each class. Previously, only senior girls were allowed to compete. Miss Oceana was chosen by the penny-a-vote method with proceeds being used for the yearbook.

The senior class candidate was Susan Snider, who is the daughter of Mr. and Mrs. Eugene Snider. Susan was escorted by Mike Lozier, son of Mr. and Mrs. Johnny Lozier.

Leslie Walker was the junior class candidate. She is the daughter of Mr. and Mrs. Creed Walker. Leslie was escorted by Chris Davis, son of Mr. and Mrs. Russell Davis.

The sophomore candidate was Tina Bane, who is the daughter of Mr. and Mrs. Kenneth Bane. Tina was escorted by Binky Morgan, son of Mr. and Mrs. Earl Morgan.

The freshman class candidate was Janet Aliff, who is the daughter of Mrs. Ace Aliff. Janet was escorted by Danny Hicks, son of Mr. and Mrs. Ray Hicks, Sr.

The new Miss Oceana is Susan Snider. She was crowned by last year's Miss Oceana, Tami Wintz. Crownbearers were Miss Danielle Plumley, daughter of Mr. and Mrs. Beecher Plumley. Danielle was escorted by Donny Aliff, son of Mr. and Mrs. Donny Aliff.

All of the candidates really worked hard and the yearbook staff would like to extend its appreciation for all their help.

*ADMINISTRATION
FACULTY
STAFF*

Principal, Ira Cook, Jr.

Mr. Ira Cook has been principal of Oceana High School for the past 7 years. His degrees include a B.S. from Concord in Social Studies, an M.A. from Marshall in history and an M.A. from Marshall in Public School Administration. Before assuming his duties as principal, Mr. Cook taught 4 years at Oceana High and acted as assistant principal for 5 years.

Asst. Principal, Gerri Davis

Ms. Gerri Davis is the new assistant principal at Oceana High. Her degrees include an A.B. from Morris Harvey in Social Studies, and an M.A. from Marshall in Administration. Prior to assuming her duties as assistant principal, Ms. Davis taught 6 years at Oceana High. When asked to comment on her first year as assistant principal Ms. Davis made the following comment: Oceana High School, the students and the faculty, are the major item in my life. I love it here, and being involved with the people is an experience I would not want to miss. I think that we have the best school, students, and faculty in the county.

Dateline: June 28, 1988
Location: Fantasy Island
(somewhere in the
Bermuda Triangle)

Hello there! This is your roving reporter, Johnny on the Spot, here on Fantasy Island, that well-known vacation resort in the Bermuda Triangle. Its guests like it so much they never seem to leave. I'm here today to cover the fantastic reunion of the Class of '78. No expense has been spared. Everything is ready for a marvelous week of entertainment here on Fantasy Island. All that's missing now is the guests.

And there they are now! That's Fantasy Island's private jet coming in for a crash landing. The guests of honor should be disembarking soon.

While we're waiting for them, let's take a look at their lives to date.

In New York, the Waldorf Astoria was in a total state of chaos before the trip. Manager *Terry Blankenship* was racing around consulting with his brother and partner, *Keith*, concerning the reservations for this trip. It seems the *Brenda Browning* Tourist Agency forgot to send the tickets. Public relations man *Randy Chaffins* was busy protesting his innocence to anyone who would listen. According to Randy, his secretary, *Sherry Miller*, mixed the reservations up. Terry threatened to call his lawyer, *Tina Smith*, and take it to court. If it had gone to court, Judge *Andrea Hall* would try the case. Lawyer for the defense was *Phillip Walls*, who prepared the case with the help of his assistant *Tammy Goodson*. In another part of town, *David Blankenship* drives a taxi cab. His boss is *Michael Wells* who is running the taxi company for *Russell Stewart* who left the country to avoid being prosecuted for tax evasion and fraud.

One night, policeman, *Tommy Gallion*, stopped artist *Diana Ricotta* for speeding. Diana told him about the reunion and he promised to attend with his wife and 12 children.

In Hollywood, actress *Denise Smith* has just gotten her sixth divorce. Her agent, *Kent Hicks*, says he's unable to book roles for her because she rushes off to Las Vegas so often. Lawyer *Mike Brunty* hasn't any objections, however. With the money he's earned from Denise, he's invested in a Palm Springs resort along with *Stephanie Blankenship*, *Gary Kidd*, *Dianne Morgan*, and *Robert Perry*.

Beverly Hills hair stylist, *Ricky Helme-dollar*, knows more about the lives of his clients than anyone else. According to Ricky, *Vanessa Browning*, the acclaimed author, is consulting psychiatrist *David Stepp*. Vanessa's accountant, *Cindy Lugar*, says she may soon go bankrupt if she keeps paying those high fees. Also, musician *Patricia Browning* is deeply in debt because she is paying off blackmailer *Lewis Hurst*. No one seems to know what he's holding over her, but word has it mafia leader *Jeff Brown* wants a piece of the action.

Private detective *Craig Blankenship* is hot on the trail of that international jewel thief *Mark Womack*. Police sergeant *Belford Cole* is also on the case, and bookie *Robert Osborne* is busy taking bets on who will find him first.

In Washington, mad scientist *Tod Sims* and his equally mad assistant, brother *Tab*, are fast developing a rocket to take *Bonita Acord* to Jupiter. The catch is, they don't know how to make it return. So Bonita is taking cook *Judy Powell* doctors *Kathee Brown* and *Keith Goins*, and scientist *Pam Davis* along with her. They plan to establish a colony on Jupiter and start their own land development company. Their first customer will be *Robin DeHart* who plans to open a branch of his Organic Food Store on Jupiter. According to Barry Clark, no town should be without a pizza shop so he plans to buy into the deal. Some other new businesses on Jupiter will be *Linda Blankenship's* massage parlor, *Gary Williamson's* Get-In-Shape-Quick Gym, *Gerri Hunt's* pharmacy and *Terri Morgan's* bookshop.

In Las Vegas, *Gary Pendry* has just opened his fifth casino. Go-go girl *Ruth Allen* and black jack dealer *Pooh Smith* work for him.

Meanwhile on Capital Hill, *Cindy Goodson* is now Secretary of State. *Rita Harris* is our Ambassador to Spain with *Susan Snider* acting as her assistant. *Terry Muncy* is now a United States Senator and *Teresa Perry* and *Suzette Brown Bailey* are in the House of Representatives. *Sharon Rollins* is the President's official speech writer and *Ricky Poole* acts as his personal bodyguard.

Daisy Hudson and *Donna Dunlap* do work for the Salvation Army. They receive some of their largest contributions from banker *Mike Lozier*. His teller, *Teresa McMillion*, also does her part by helping them on Saturdays. *Darla Osborne* helps by doing volunteer work at the *Timothy Short Clinic*.

Phillip Alfrey owns a modeling agency in San Francisco with *Lisa Riley* modeling for him. *Ricky Stewart* is his photographer, and he buys all of his film from *Frankie McKinney's* photography supply shop.

Johnny Aliff is the new Shah of Iran. He controls the Central Arabia Petroleum Corporation along with *Mike Toler* and *Randy Stafford*. Geologist *Rhonda Stewart* also works for the company.

Ginger Spolarich became an archaeologist. Maybe you've heard of her. She and her assistant, *Sherry Fleenor*, discovered the long lost tomb of He Who Sits By the Fire and Waits to be Waited On. They received a lot of publicity over it. *Andrea Cook*, anchor woman for KGBZ-TV Matheny, covered the story. However, *Kenneth Stewart* is suing because he claims he and *Kenneth Bailey* found it first. While the court of Judge *Tonjia Hill* is hearing the case, *Dewayne Halsey* is trying to purchase the rights to all property within the tomb. He plans to open a museum with *Patricia Brown* as its curator. *Mary Spears* will act as her assistant.

Bobby Terry knows a good deal when he sees one. He bought a peanut plantation in Plains, Georgia, which he runs with the help of his overseer *Jeff Cline*. He made a deal with the *Boyd Morgan* Peanut Butter Company to sell all he can raise.

Several of the Class of '78 went on the stage. Sisters, *Sue* and *Lou Paugh*, are working as strippers in the Oriental Palace in Tokyo. Impressionist *Arvil Toler* was expelled from the Impressionist Union by its president *Teresa Walker*. Arvil now does his act along with *Gray Toler*, entertaining Fidel Castro's soldiers. However, Fidel's Sergeant at Arms, *Randy Cline*, is working with the help of *Kathy Bowles*, to run Arvil out of Cuba. Arvil's agent, *Judy Cobb*, says they will appeal to the International Entertainers Union's president *Susan Jones*. But the final decision will depend on the vote of board members, *Darita Lester*, *Tammy Chambers*, *Donna Thompson*, and *Teresa Huffman*.

Three of the Class of '78 went into professional sports. *James Tilley* is playing football with the Oakland Raiders. *Terry Daniels* was drafted by the Cincinnati Reds, while *Greg Sluss* became the newest Harlem Globetrotter. (Discrimination against whites got so bad they had to pass some new minority laws.)

Some of the girls revolted from the establishment and formed a Housewives Union. Charter members are *Cathy Combs Harless*, *Paula Fleenor Stacy*, *Melissa Brown Woolum*, *Imogene Blankenship Fraley*, and *Josetta Cline Pelphrey*. *Judy Holloway Daniels* refused to join, saying, she was perfectly happy as she was.

Male chauvinists *Tim Stepp*, *Olin Toler*, and *Danny Walker* have formed a union of their own in an attempt to break up the Housewives' Union. *Dora McMillion* and *Shelia Short* agree with their cause, so they're acting as their secretaries. Artist *Morgan* is a firm advocate also, so she does all their protest signs for free. "For the love of our country, that's our motto," shouted *Donna Blankenship*, *Tammy Toler*, *Regina Walls*, and *Dreamia Kinser* as they enlisted in the 49th regiment of the United States Army. Their commanding officer, *Timmy Green*, had this to say about his new recruits. "Well, they're alright as far as women soldiers go, but I guess I'm old-fashioned. I still think it's a man's place to fight and a woman's place to keep the home fires burning."

Also in the service of our country is the United States first all-woman Air Force Paratroop Squad. It's made up of *Gail Cook*, *Tammy Cook*, *Rhonsa Walker*, *Debra Sanders*, *Arlene Morgan*, and *Sherry Stewart*. Their senior officer is *Rocky Kinser*.

Their toughest competition in the Annual Air Force Sky Diving Contest held in Denver, Colorado, is the all male Squad 7. It's made up of *Shonnie Pauley*, *Larry Stewart*, *Jeff Riffe*, *Wilfred Perry*, *Kenneth Caldwell*, and *Denny Kanott*. Nurse *Tammy Gregory* makes it a point to be on hand to pick up all the broken pieces.

Well, there you have it, the Oceana High School Class of '78.

Everyone's disembarked and milling around greeting each other. Everyone's happy and looking forward to a pleasant stay on Fantasy Island.

Listen! What's that sound? Oh no! The plane's cracking up! We're stranded! Someone help us! Please, help us!

Well, there it is, the old class of '78 is reunited forever.

the Challenge

From the atom to the sun . . . the universe pulsates with energy in many forms.

The challenge is to find ways . . . new ways . . . to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest . . . that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

SUCCESS

Child,

When you reach

For a star

And fail,

Don't cry.

You will have

A part

Of the sky.
